

**Job Posting: Registered Nurse
Permanent Part Time (.8 FTE)**

Job Summary:

The Nurse participates as the Clinical Lead to our Mental Health Support Worker Team. The Nurse carries out health care services in our residential support homes. Responsibilities encompass assessment, collaboration, programming, medication management and documentation. The Nurse provides clinical guidance to the Mental Health Support Workers on health matters related to the residents, works directly with residents, liaises with physicians and psychiatrists, communicates care plan and medication updates or changes, and supports the MHSW with the day to day operations of our homes.

Qualifications:

- Proof of Current registration with R.N.A.B.C. or R.P.N.A.B.C.
 - Up to date C.P.R. certificate
 - Criminal Record check
 - Documentation of current TB testing
- Medical certificate of health (confirming mental & physical fitness for work)
- Food Safe Certificate within 6 months of employment
- Minimum three years nursing experience
- Demonstrated knowledge working with persons experiencing psychiatric disorders and mental health issues, including addictions.
- Demonstrated leadership abilities.
- Knowledge of the principles and practice of psychosocial rehabilitation.
- Excellent communication skills

Hours of Work: (two week rotation)

Week 1: Monday, Tuesday, Friday, Saturday: 0730 – 1600

Week 2: Sunday, Wednesday, Thursday Friday: 0730 - 1600.

Salary: *As per NBA Collective Agreement*

Position Commences:

December 2017

To apply (deadline for applications is November 30, 2017)
